Dear Student,

Congratulations! You have been selected to be your school's candidate for the Souchay Gossen Family Foundation Scholarship. There are two scholarships available to students: a one-time \$2000 award or a four-year scholarship worth up to \$20,000 to be applied towards post-secondary costs in a Canadian institution. The awards can be deferred for one year if necessary.

The criteria for this award are **a commitment to education** as evidenced by consistent attendance and good achievement, **engagement to the school community** as shown by participation in various extra-curricular activities such as sports teams, choir, band, clubs or other groups and possibly to the community at large as shown by volunteering or participation in community groups. **Financial need** is also an important consideration for this scholarship. Any information you give us will be kept completely confidential.

Your school will forward you the reference forms. Please forward the reference forms to those you will use as a reference.

Please follow the instructions on the first page of the application form. On that form, there is a checklist of the documents you need to submit by May 24th, 2022. The form is also available on our website: souchaygossen.org under the scholarships tab, as are the forms for your references.

You will notice that we are asking for your permission to publish your name on our website as a scholarship recipient. It is not necessary to give us this permission in order to receive the scholarship. If we do not have your permission, you will only be identified as "a student" from your school.

If you have any questions, you may contact us by email at: annick@souchaygossen.com or fred@souchaygossen.com, or by text or phone at: 204 797 4237

We look forward to reading your application.
